

PREMIUM COLLECTION

# MG Design Studio

Bespoke objects in high-quality plexiglass — where craftsmanship, aesthetics, and functionality merge into a single contemporary vision.

 TABLE LECTERN

# Table Lectern

## *Elegance and functionality*

Table lectern made of plexiglass, ideal for highlighting documents, menus, brochures, or texts during events, conferences, ceremonies, and presentations.

The modern and minimal design adapts perfectly to any environment: offices, receptions, meeting rooms, showrooms, churches, hotels, and private homes.

### The lectern can be customized with:

- Corporate brand engraving
- Custom dimensions
- Name, dedication, or phrase
- Custom graphics
- Symbol or logo
- Engraved plaque
- Decorative feet

### Perfect as:

- Prestigious corporate gift
- Personalized gift
- Setup for events and ceremonies
- Menu or price list holder

 Handcrafted with attention to detail, it combines aesthetics and practicality in a single product.

 BRAND IDENTITY

## Logo / Corporate Brand

### *Elegance that enhances your identity*

Give shape to your corporate identity with a decorative plexiglass brand featuring a modern and minimalist design.

Crafted from high-quality material, this element presents your logo or monogram in a three-dimensional version, perfect for embellishing receptions, offices, showrooms, professional studios, or representative spaces.

The plexiglass structure ensures brightness and elegance, while the solid base provides stability and a striking presence.

A distinctive furnishing accessory that communicates professionalism, style, and attention to detail.

#### **Main features**

- Custom creation with your logo or initials
- High-quality plexiglass, resistant and durable
- Coordinable stable base
- Modern and elegant design

#### **Ideal for**

- Reception and front office
- Executive desks
- Corporate events and trade fairs
- Professional studios
- Personalized corporate gifts

Each creation is handcrafted on request, with the possibility to choose dimensions, thickness, plexiglass color, and base finish.

Transform your logo into an exclusive piece of decor and make your brand the protagonist of your spaces.

 DISPLAY STAND

# Display Stand "Monolith"

*The essence of the product, sculpted in light*

A pure, compact, transparent block.

**Monolith** is designed to showcase a single object, without distractions.

Light passes through the plexiglass and amplifies its presence, transforming what it displays into an iconic piece.

Perfect for those who believe that a valuable product needs space, silence, and noble material.

## Technical details

- Premium cast plexiglass
- Mirror-polished edges
- Finishes: crystal, smoke bronze, graphite

## Ideal for

Jewelry, perfumes, champagne, collectibles, and luxury design items

◇ MODULAR SYSTEM

# Cube "Level"

*Designing height, creating rhythm*

**Level** is a system of surfaces that dialogue with each other.

Light, harmonious differences in height, designed to give depth to the display and guide the eye.

The transparency creates an elegant suspended effect: the product seems to float in space.

## Modular units

Flexible configurations for every display need

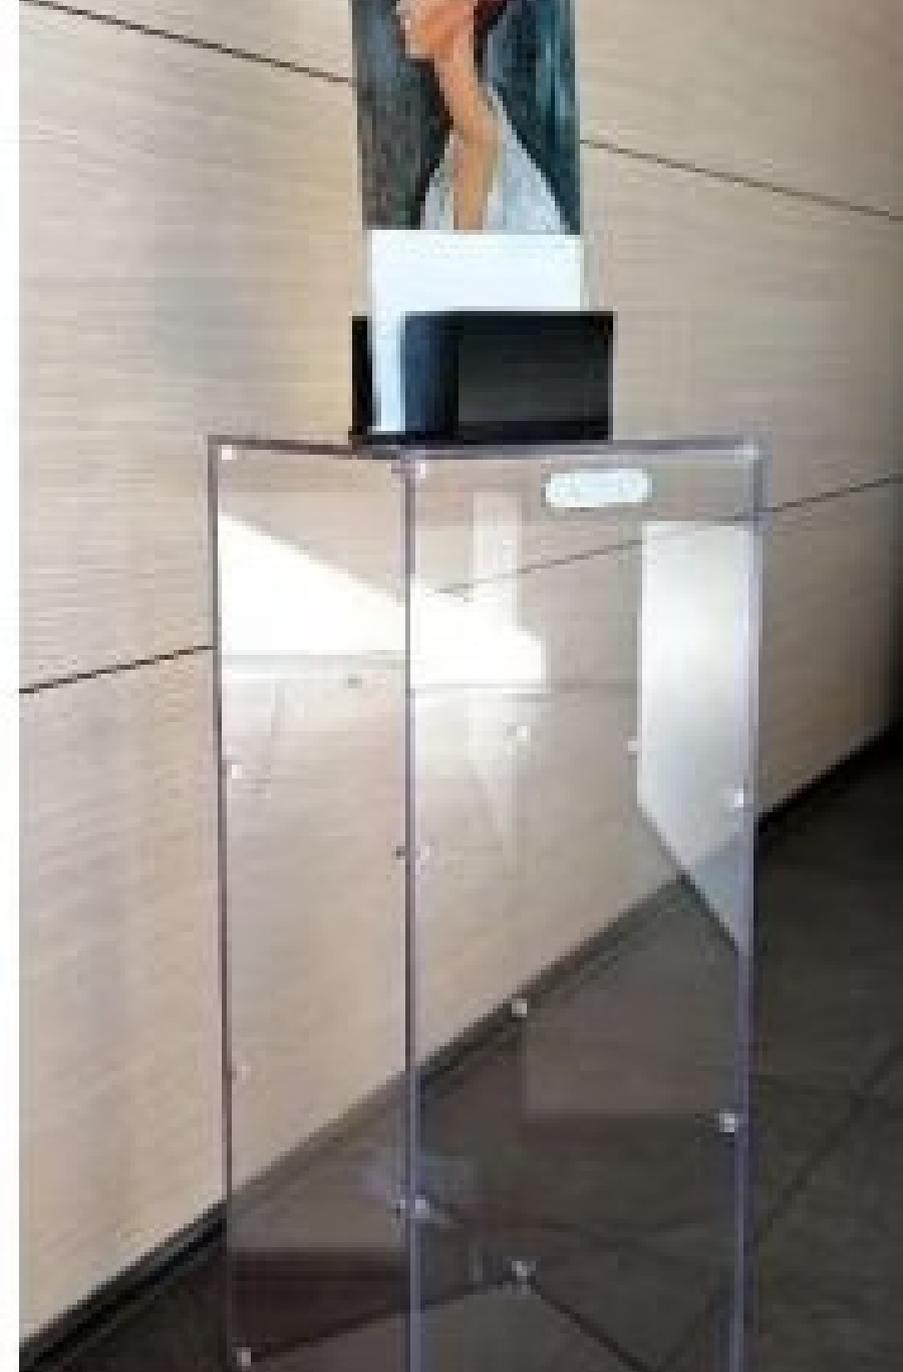

## Material

High-quality transparent or smoked Plexiglas

## Coordinated sets

Available in coordinated sets for complete arrangements

☐ **Ideal for:** Jewelry, luxury cosmetics, fashion accessories.

TOTEM

# Totem "Vertex"

*When the product becomes a sculpture*

Vertical, luminous, theatrical.

**Vertex** is created to be seen from afar.

Light passes through the plexiglas, building an art gallery atmosphere.

An object designed to tell a story, not just to display.

## Ideal for

Store windows, flagship stores, temporary installations.

## Technical specifications

- Modular structure
- Integrated warm LED lighting
- Contrast black base

DISPLAY CASE

## Display Case "Premium"

*A contemporary design case for medals*

A high-end display case made of crystal-clear plexiglass, designed to enhance and protect medals, honors, and collectibles with elegance.

Crafted with thick transparent acrylic panels, this case combines minimalist design and artisanal quality.

The structure is assembled with visible standoffs and metal hardware, for a modern and refined aesthetic that recalls museum displays.

The contrasting base creates a sophisticated contrast that highlights the colors, details, and engravings of the objects housed within.

### → **Material**

Ultra-transparent acrylic with a glass effect, lightweight and durable

### → **Closure**

Precision screw closure system for stable and secure fastening

### → **Internal setup**

Internal base for hanging medals or items with a ribbon

### → **Versatility**

Freestanding case ideal for display on desks, shelves, or in storefronts

### → **Protection**

Protection from dust and direct contact

Perfect for collectors, athletes, professionals, or as an exclusive gift idea, this case transforms every achievement into a prestigious piece of decor. A design accessory that recounts successes and milestones with impeccable style.

 SCALE MODELING

# Display Case "Modellux"

## *Museum-quality display case for models*

Showcase your masterpiece with a display case that highlights every detail.

This crystal-clear plexiglass display case for models is designed to offer maximum visibility, protection, and professional aesthetics.

The acrylic panels provide superior, glass-effect transparency and great durability, while the structure with metal corners and precision screws gives it a technical, modern, and refined look.

Perfect for static models, collectible cars, motorcycles, ships, airplanes, dioramas, and unique pieces, it protects against dust, accidental bumps, and external agents, keeping the value of your model intact over time.

### **Material**

High-resistance, ultra-transparent plexiglass

### **Structure**

Sturdy, featuring metal corners and polished finishes

### **Stability**

Reinforced base for maximum stability

### **Closure**

Secure locking system

### **Usage**

Ideal for home, studio, showroom, or trade fairs

It's not just a case: it's a collector's showcase. Transform your model into a true professional exhibition piece.

📁 PHOTO FRAME

## Photo Frame "Prestige Frame"

Contemporary elegance and minimalist refinement meet in this luxury plexiglass photo frame.

Crafted with high-quality glossy black acrylic panels and embellished with exposed metal spacers, this frame transforms every photograph into a work of art.

The floating design and multi-level structure create depth and enhance the image with a sophisticated gallery effect.

The coordinated base ensures stability and balance, making it perfect for exclusive environments: modern living rooms, professional studios, boutique hotels, or executive offices.

### Distinctive Features

- Premium high-gloss plexiglass
- Quality metal finishes
- Contemporary design
- Elegant and stable base
- Ideal for artistic photography, portraits, and special moments

*Not just a simple frame, but a luxury piece of decor designed to preserve memories with style and personality*

SPORT & ART COLLECTION

## Jersey Display Case "Crystal Frame" & Panel "Luxury Art"

### Crystal Frame

Elegant transparent acrylic jersey display case, ideal for showcasing sports jerseys or collectible garments.

Minimalist design, glossy glass-effect finish, and front panel, embellished with visible metal standoffs.

Customizable with engraving directly on the acrylic or a plaque.

Protects from dust and wear, enhancing the displayed item with a modern and professional look.

- High-quality crystal-clear acrylic
- Rigid and durable structure
- Perfect transparency
- Simple assembly
- Ideal for display in homes, showrooms, or offices

**Luxury product for collectors or those desiring an elegant and refined display.**

### Luxury Art

Protect and enhance your artworks with this transparent acrylic protective panel, designed to offer an elegant display solution with a modern and minimalist design.

The crystal-clear surface, combined with brushed steel mounts, creates a refined floating effect that adds depth and prestige to any painting or art installation.

- **High-quality acrylic** with excellent transparency and glass-like effect
- **Stainless steel mounts** with a clean, modern, durable, and decorative design
- **Simple and stable installation**, ideal for both private and professional environments
- **Floating design** that enhances the work without covering or weighing it down

Perfect for art galleries, professional studios, modern decor, offices and receptions, private collectors, and protecting sensitive or delicate works.

The transparent structure highlights the colors and details of the artwork, while the steel mounts add a touch of contemporary elegance.

Perfect for those who desire a solution that combines style, quality, and professional protection.
